BY ORDER OF THE BOARD

PRESIDENT

JET GOLD CORP.
INFORMATION CIRCULAR
FOR THE 2007
ANNUAL GENERAL MEETING OF SHAREHOLDERS

This information is given as of January 11, 2007

SOLICITATION OF PROXIES

This Information Circular is furnished in connection with the solicitation of proxies by the management of **JET GOLD CORP.** (the "Company") for use at the Annual General Meeting (the "Meeting") of the shareholders of the Company, to be held at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment thereof.

These Securityholder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

PERSONS OR COMPANIES MAKING THE SOLICITATION

The enclosed instrument of proxy is solicited by management. Solicitations will be made by mail and possibly supplemented by telephone or other personal contact to be made without special compensation by regular officers and employees of the Company. The Company may reimburse shareholders' nominees or agents (including brokers holding shares on behalf of clients) for the cost incurred in obtaining authorization from their principals to execute the instrument of proxy. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company. None of the directors of the Company have advised management in writing that they intend to oppose any action intended to be taken by management as set forth in this Information Circular.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the accompanying instrument of proxy are directors or officers of the Company. **A shareholder has the right to appoint a person to attend and act for him on his behalf at the Meeting other than the persons named in the enclosed instrument of proxy. To exercise this right, a shareholder shall strike out the names of the persons named in the instrument of proxy and insert the name of his nominee in the blank space provided, or complete another instrument of proxy.**

The completed instrument of proxy must be dated and signed and the duly completed instrument of proxy must be deposited at the Company's transfer agent, Pacific Corporate Trust Company, 510 Burrard Street 3rd floor, Vancouver, BC V6C 3B9, at least 48 hours before the time of the Meeting or any adjournment thereof, excluding Saturdays, Sundays and holidays.

The instrument of proxy must be signed by the shareholder or by his duly authorized attorney. If signed by a

duly authorized attorney, the instrument of proxy must be accompanied by the original power of attorney or a notarially certified copy thereof. If the shareholder is a corporation, the instrument of proxy must be signed by a duly authorized attorney, officer, or corporate representative, and must be accompanied by the original power of attorney or document whereby the duly authorized officer or corporate representative derives his power, as the case may be, or a notarially certified copy thereof. The Chairman of the Meeting has discretionary authority to accept proxies which do not strictly conform to the foregoing requirements.

In addition to revocation in any other manner permitted by law, a shareholder may revoke a proxy by (a) signing a proxy bearing a later date and depositing it at the place and within the time aforesaid, (b) signing and dating a written notice of revocation (in the same manner as the instrument of proxy is required to be executed as set out in the notes to the instrument of proxy) and either depositing it at the place and within the time aforesaid or with the Chairman of the Meeting on the day of the Meeting or on the day of any adjournment thereof, or (c) registering with the scrutineer at the Meeting as a shareholder present in person, whereupon such proxy shall be deemed to have been revoked.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

On any poll, the persons named in the enclosed instrument of proxy will vote the shares in respect of which they are appointed and, where directions are given by the shareholder in respect of voting for or against any resolution, will do so in accordance with such direction.

In the absence of any direction in the instrument of proxy, it is intended that such shares will be voted in favour of the resolutions placed before the Meeting by management and for the election of the management nominees for directors and auditor, as stated under the headings in this Information Circular. The instrument of proxy enclosed, when properly completed and deposited, confers discretionary authority with respect to amendments or variations to the matters identified in the Notice of Meeting and with respect to any other matters which may be properly brought before the Meeting. At the time of printing of this Information Circular, the management of the Company is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any such amendments, variations or other matters should properly come before the Meeting, the proxies hereby solicited will be voted thereon in accordance with the best judgement of the nominee.

NON-REGISTERED HOLDERS

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are “non-registered” shareholders because the shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. More particularly, a person is not a registered shareholder in respect of shares which are held on behalf of that person (the “Non-Registered Holder”) but which are registered either: (a) in the name of an intermediary (an “Intermediary”) that the Non-Registered Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP’s, RRIF’s, RESPs and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“CDS”)) of which the Intermediary is a participant. In accordance with the requirements as set out in National Instrument 54-101 of the Canadian Securities Administrators, the Company has distributed copies of the Notice of Meeting, this Information Circular and the form of Proxy (collectively, the “Meeting Materials”) to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies

to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Holder when submitting the proxy. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and deposit it with the Company's Registrar and Transfer Agent as provided above; or
- (b) more typically, be given a voting instruction form which is not signed by the Intermediary, and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a "proxy authorization form") which the Intermediary must follow. Typically, the proxy authorization form will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the proxy authorization form will consist of a regular printed proxy form accompanied by a page of instructions, which contains a removable label containing a bar-code and other information. In order for the form of proxy to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and return it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit a Non-Registered Holder to direct the voting of the shares which they beneficially own. Should a Non-Registered Holder who receives one of the above forms wish to vote at the Meeting in person, the Non-Registered Holder should strike out the names of the management proxyholders named in the form and insert the Non-Registered Holder's name in the blank space provided. In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

On **January 11, 2007, 21,448,755** common shares without par value were issued and outstanding, each share carrying the right to one vote. At a general meeting of the Company, on a show of hands, every shareholder present in person shall have one vote and, on a poll, every shareholder shall have one vote for each share of which he is the holder.

Only shareholders of record at the close of business on the **11th** day of **January, 2007**, who either personally attend the Meeting or who complete and deliver an instrument of proxy in the manner and subject to the provisions set out under the heading "Appointment and Revocation of Proxies" will be entitled to have his or her shares voted at the Meeting or any adjournment thereof.

To the knowledge of the directors and executive officers of the Company, only the following beneficially own, directly or indirectly, or exercise control or direction over, shares carrying more than 10% of the voting rights attached to all outstanding shares of the Company:

Name of Shareholder	Number of Shares	Percentage of Issued and Outstanding
CDS & Co. ⁽¹⁾	17,501,945	81.59%

(1) The beneficial owners of the shares thus shown are not known to Management of the Company.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as disclosed elsewhere in this Information Circular, none of the directors or executive officers of the Company, no proposed nominee for election as a director of the Company, none of the persons who have been directors or executive officers of the Company since the commencement of the Company's last completed financial year and no associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting.

- (d) the Company if it has purchased, redeemed or otherwise acquired any of its own securities, for so long as it holds any of its securities.

No informed person, no proposed director of the Company and no associate or affiliate of any such informed person or proposed director, has any material interest, direct or indirect, in any material transaction since the commencement of the Company's last completed financial year or in any proposed transaction, which, in either case, has materially affected or will materially affect the Company or any of its subsidiaries.

No guarantee, support agreement, letter of credit or other similar arrangement or understanding has been provided by the Company or its subsidiaries at any time since the beginning of the most recently completed financial year with respect to any indebtedness of any such person.

MANAGEMENT CONTRACTS

During the Company's most recently completed financial year ended **August 31, 2006** there were no management functions of the Company, which were to any substantial degree performed by a person other than a Director or senior Officer of the Company.

CORPORATE GOVERNANCE

Pursuant to National Policy 58-101 *Disclosure of Corporate Governance Practices* the Company is required to and hereby discloses its corporate governance practices as follows.

1. Board of Directors

The Board of Directors of the Company facilitates its exercise of independent supervision over the Company's management through frequent meetings of the Board.

Mr. Keith Robinson and Mr. Robert Kaplan, directors of the Company, are "independent" in that they are independent and free from any interest and any business or other relationship which could or could reasonably be perceived to, materially interfere with the director's ability to act with the best interests of the Company, other than the interests and relationships arising from shareholdings. Mr. Robert Card is the President of the Company and is therefore not independent.

2. Directorships

The following table discloses directors who are currently directors of other Reporting Issuers:

Name of Director:	Other Reporting Issuers:
Robert Card	Consolidated Gulfside Resources Corp.
Leonard Harris	Anglo-Canadian Uranium Corp.

3. Orientation and Continuing Education

The Board of Directors of the Company brief all new directors with the policies of the Board of Directors, and other relevant corporate and business information.

4. Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Company or an affiliate of the Company, (ii) is for indemnity or insurance for the benefit of the director in connection with the Company, or (iii) is with an affiliate of the corporation. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

5. Nomination of Directors

The Board of Directors is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees for the next annual meeting the shareholders.

New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required, shown support for the Company's mission and strategic objectives, and a willingness to serve.

6. Compensation

The Board of Directors conducts reviews with regard to directors' compensation once a year. To make its recommendation on directors' compensation, the Board of Directors takes into account the types of compensation and the amounts paid to directors of comparable publicly traded Canadian companies.

7. Other Board Committees

The Board of Directors has no other committees other than the Audit Committee.

8. Assessments

The Board of Directors monitors the adequacy of information given to directors, communication between the board and management and the strategic direction and processes of the board and committees.

AUDIT COMMITTEE AND RELATIONSHIP WITH AUDITOR

Multilateral Instrument 52-110 of the Canadian Securities Administrators (“MI 52-110”) requires the Company, as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor, as set forth in the following.

The Company’s audit committee is governed by an audit committee charter, the text of which is attached as Schedule A to this Information Circular.

The Company’s audit committee is comprised of three directors, Robert Card, Keith Robinson and Robert Kaplan. As defined in MI 52-110, Robert Card is not “independent” and Keith Robinson and Robert Kaplan are “independent”. Also as defined in MI 52-110, all of the audit committee members are “financially literate”.

Since the commencement of the Company’s most recently completed financial year, the Company’s Board of Directors has not failed to adopt a recommendation of the audit committee to nominate or compensate an external auditor.

Since the effective date of MI 52-110, the Company has not relied on the exemptions contained in sections 2.4 or 8 of MI 52-110. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of MI 52-110, in whole or in part.

The audit committee has not adopted specific policies and procedures for the engagement of non-audit services. Subject to the requirements of MI 52-110, the engagement of non-audit services is considered by the Company’s Board of Directors, and where applicable the audit committee, on a case-by-case basis.

In the following table, “audit fees” are fees billed by the Company’s external auditor for services provided in auditing the Company’s annual financial statements for the subject year. “Audit-related fees” are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company’s financial statements. “Tax fees” are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. “All other fees” are fees billed by the auditor for products and services not included in the foregoing categories.

The fees paid by the Company to its auditor in each of the last two fiscal years, by category, are as follows:

Financial Year Ending	Audit Fees	Audit Related Fees	Tax Fees ⁽¹⁾	All Other Fees
August 31, 2006	\$12,169		\$600	\$3,800
August 31, 2005	\$7,285		\$600	Nil

⁽¹⁾Fees related to the preparation of the Company's T-2 corporate income tax return and the General Index of Financial Information required by CCRA.

The Company is relying on the exemption provided by section 6.1 of MI 52-110 which provides that the Company, as a venture issuer, is not required to comply with Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of MI 52-110.

B. Appointment of Auditor

Management proposes that **Smythe Ratcliffe, Chartered Accountants, of, 7th Floor – 355 Burrard Street, Vancouver, B.C., V6C 2G8**, be re-appointed auditor of the Company for the ensuing year at a remuneration to be negotiated between the Auditor and the Directors.

C. Incentive Stock Option Plan

At the Meeting, shareholders will be asked to consider and, if thought fit, to pass an ordinary resolution approving the renewal of the Company's Stock Option Plan (the "Plan"). The Plan was initially approved by shareholders at the Company's Annual and Special General Meeting held **February 20, 2004** and has been approved for renewal annually thereafter. It is a condition of Exchange approval of the Plan that shareholder approval be obtained annually. The purpose of the Plan is to assist the Company in attracting, retaining and motivating directors, officers and employees of the Company and to closely align the personal interests of such directors, officers and employees with the interests of the Company and its shareholders. Options granted under the Plan are non-assignable and may be granted for a term not exceeding that permitted by the Exchange (currently five years). A summary of the material aspects of the Plan is as follows:

1. the Plan will be administered by the Company's Board of Directors or, if the Board so designates, a Committee of the Board appointed in accordance with the Plan to administer the Plan;
2. the maximum number of shares in respect of which options may be outstanding under the Plan at any given time is equivalent to 10% of the issued and outstanding shares of the Company at that time, less the number of shares, if any, subject to Prior Options;
3. following termination of an optionee's employment, directorship, consulting agreement or other qualified position, the optionee's option shall terminate upon the expiry of such period of time following termination, not to exceed 90 days (30 days if the optionee is engaged in providing investor relations services), as has been determined by the directors;
4. an option granted under the Plan will terminate one year following the death of the optionee. These provisions do not have the effect of extending the term of an option which would have expired earlier in accordance with its terms, and do not apply to any portion of an option which had not vested at the time of death or other termination;
5. as long as required by Exchange policy, no one individual may receive options on more than 5% of the issued and outstanding shares of the Company (the "Outstanding Shares") in any 12 month period, no one consultant may receive options on more than 2% of the Outstanding Shares in any 12 month period, and options granted to persons employed to provide investor relations services may not exceed, in the aggregate, 2% of the Outstanding Shares in any 12 month period;
6. options may not be granted at prices that are less than the Discounted Market Price as defined in Exchange policy which, subject to certain exceptions, generally means the most recent closing price of the Company's shares on the Exchange, less a discount of from 15% to 25%, depending on the trading value of the Company's shares;

7. any amendment of the terms of an option shall be subject to any required regulatory and shareholder approvals; and
8. in the event of a reorganization of the Company or the amalgamation, merger or consolidation of the shares of the Company, the Board of Directors shall make such appropriate provisions for the protection of the rights of the optionee as it may deem advisable.

A copy of the Company's current Plan will be available for review at the meeting. The directors recommend that shareholders approve the renewal of the Company's Option Plan.

OTHER MATTERS TO BE ACTED UPON

The Company will consider and transact such other business as may properly come before the Meeting or any adjournment thereof. The Management of the Company knows of no other matters to come before the Meeting other than those referred to in the Notice of Meeting. Should any other matters properly come before the Meeting, the shares represented by the proxy solicited hereby will be voted on such matter in accordance with the best judgment of the persons voting by proxy.
